Packed with incredible designs and insightful features, this issue offers a captivating glimpse into some of North America’s most luxurious retreats and exquisitely designed homes.

Highlighting the diverse array of features is an exclusive look into the updated Los Angeles home of actress and former *Glee* star Jenna Ushkowitz and her husband. From Ontario to Texas, readers will be inspired by the stories of homeowners who have created their own private sanctuaries. In Texas, witness the harmonious marriage between a home and its natural surroundings, with breathtaking views and a commitment to enhancing biodiversity and preserving the natural beauty of the landscape.

The issue also features the work of renowned LA-based designer Dorothy Alon, who revitalized a historic property once owned by Joanne Carson, spouse of the late Johnny Carson, and where Truman Capote was rumored to have penned his famous novel *Breakfast at Tiffany’s*.
