## **CAMBRIA OPENS NEW SALES AND DISTRIBUTION CENTER SHOWROOM IN SAN FRANCISCO BAY AREA**

**SAN FRANCISCO** (March 9, 2023) - Cambria, the leading producer of American-made quartz surfaces, is proud to announce the grand opening of its new Sales and Distribution Center Showroom in Union City, CA. The 23,566-square-foot showroom features modern technology and amenities, offering designers and customers from around the San Francisco Bay Area and neighboring cities Sacramento, San Jose, Monterey, and others a comprehensive look at the industry's best and most expansive quartz design collection.

The Cambria Sales and Distribution Center experience allows business partners, trade partners, and consumers access to view full slabs, including Jumbo and Super Jumbo sizes, of its comprehensive design palette. "The showroom and distribution center experience gives customers and designers the opportunity to use the backdrop of exquisite quartz designs to bring to life their own vision for their surface project," said Brenda Maher, Regional Vice President of Sales at Cambria.

Full-size slabs and an expanded library of over one hundred samples of Cambria's newest and most popular designs are on display, including the recently launched [Alloy Collection™](#). Cambria continues to add to its timeless aesthetic of beautiful, nature-inspired designs. All of Cambria's designs are maintenance free and sustainably produced within a secure supply chain.

Across the country, Cambria opens up its showrooms and distribution centers to designers to bring their customers in to see designs and ideate around the potential of the project they are working on. "We're proud to showcase our expansive collection of quartz surfaces in this state-of-the-art facility, and we look forward to serving our customers and designers in the San Francisco market," added Maher.

Open to the public, the showroom is designed to offer an immersive experience, with full-scale displays that feature Cambria's stunning designs. Access to the resources within the showroom allows builders, remodeler trades, interior designers, and end users the chance to visualize how Cambria surfaces will look in their own projects. Cambria's innovative design technology and experienced staff are available to help guide customers through the selection process.

“We're excited to offer an unmatched experience to our customers and designers,” said Maher. “The opening of this sales and distribution center showroom underscores our commitment to bringing the best of Cambria to Northern California.”

This is Cambria's 22nd Sales and Distribution Center across the U.S. The new showroom is located at 1747 Atlantic Court, Union City, CA 94587, and will be open from 8 AM to 5 PM, Monday through Friday.

Cambria's industry-leading, iconic quartz surfaces are manufactured at its state-of-the-art slab manufacturing facility in Le Sueur, MN. The family-owned company has been producing quartz surfaces since 2000.
