## CAMBRIA EXPANDS PRESENCE IN HOME INDUSTRY BY LAUNCHING CAMBRIA MORTGAGE

*Cambria Mortgage to be Part of Cambria Finance, a New Division of  
the Natural Quartz Surfaces Company*

MINNEAPOLIS, MINN. (June 1, 2009) – Cambria announced today the creation of Cambria Mortgage, a new division that will expand the company's offerings in the home industry by providing home lending services to Minnesota residents. Cambria is the only producer of natural quartz surfaces in the U.S.

"In today's challenging economic and real estate environments, consumers are looking for a mortgage provider they can rely on and trust," said Martin Davis, Cambria's President and Chief Executive Officer. "Our customers know that Cambria is committed to building relationships based on core values such as honesty, integrity and trust. Cambria Mortgage will work to build these same lasting, deep relationships with hard-working Minnesotans who are looking for sound advice, honest counsel and a straight-forward home lending experience to help them through these unpredictable times."

Cambria Mortgage will operate under Cambria Financial, a new division of the company that was developed to provide a variety of financial services. Cambria Mortgage is the initial service to be offered by the division and will be staffed by mortgage professionals with years of experience in the banking and mortgage industry.

“The current economic landscape makes it’s important to work with an experienced and credible mortgage company you can trust,” said John Schroeder, President of Cambria Financial. “Our Cambria Mortgage team is eager to work with Minnesotans who have a variety of mortgage lending needs. Whether you’re a first-time homebuyer or looking to refinance an existing home, our mortgage consultants have the experience to help you every step of the way.”

Schroeder recently joined Cambria to oversee the development of Cambria Financial and brings with him more than 20 years of experience. Most recently, Schroeder managed many different divisions and subsidiaries including consumer loans, insurance, finance, title and business banking for TCF National Bank.
