

# KID-FRIENDLY KITCHEN

Ready to renovate? Get inspired by a comfy, modern kitchen with cool appliances and design details that cater to young children.

## In the Details...

### «COUNTER CULTURE

Mostly quartz stone with a hint of resin, this countertop looks luxe but is durable and super-easy to clean. Counter, [combriusa.com](http://combriusa.com). Fabricator, [dkfabrication.com](http://dkfabrication.com).

### «COMPLETELY

**FLOORED** These glazed porcelain tiles look like expensive limestone but are more affordable and practical. They're also stain-resistant, so you can cut down on the time you'll spend cleaning up muddy footprints and spilled juice. Tile, Chateau Lyon collection, [esquire-tile.com](http://esquire-tile.com).

### «CONTAIN

**THIS** Good Grips. Pop containers are stackable and fun to use. Just press the button to seal—no more stale crackers or cookies. Containers, [oxo.com](http://oxo.com).
