EDGE PROFILES

Add the perfect final touch to your beautiful new Cambria quartz countertops with a distinctive edge profile. All six edges are available in 2cm and 3cm depths and are included in the price of your countertop purchase.

TRANSITIONAL

OGEE

Refined curves mark the profile of this beautiful edge.

HALF BULLNOSE

This graceful edge is softly rounded on the top to offer a gentle contour.

MODERN

EASED

A simple but elegant style, this edge is beveled, not rounded, at the top.

BEVEL

This classic edge adds a touch of angled geometry to the countertop.

DOUBLE RADIUS

Bold and straightforward, this edge is slightly rounded at the top and bottom.

BULLNOSE

Rounded from top to bottom, this profile takes the edge off sharp angles.
