CAMBRIA UNVEILS NEW STATE-OF-THE-ART PHILADELPHIA SALES & DISTRIBUTION CENTER AND SHOWROOM IN KING OF PRUSSIA, PA

King of Prussia, PA, July 23, 2026 — **Cambria**, the leading producer of American-made natural quartz surfaces, proudly announces the grand opening of its new **Philadelphia Sales & Distribution Center and Showroom**. The 32,500-square-foot upgraded facility, located at 511 Feheley Drive in King of Prussia, PA, underscores the company's commitment to meeting the growing demand for its high-quality quartz surfaces in the region.

The new facility gives the design community, trade professionals, and homeowners access to Cambria's premium portfolio of quartz designs in an extensive selection of styles and colors. Open to the public, the showroom features a range of designs in full slabs, a best-in-class tool for material selection. Also beneficial to the selection process: an expansive library of quartz samples and new kitchen and bath displays.

In addition, the showroom offers design visualization tools as well as consultations with experts who can assist in matching quartz surfaces with cabinets, paint, flooring, and appliances. The showroom is open weekdays from 8am to 5pm.

Having previously served the greater Philadelphia market from its original King of Prussia location, Cambria has moved to a new, upgraded facility in the area that promises an even more inviting experience for customers and partners.

“The Philadelphia region has one of the most sophisticated and discerning design communities in the country, and we wanted to provide a new, upgraded facility worthy of it,” said Elizabeth Hurley, Cambria’s Chief Commercial Officer. “It lets us present our portfolio in the way it deserves to be seen. And it creates the kind of immersive, expert-guided experience that turns a showroom visit into a project breakthrough for designers and homeowners alike.”
